STUDIO CITY, CA – April 16, 2020 – Cindy Busby ("Marrying Mr. Darcy," "Heartland") and Christopher Russell ("Love Unleashed," "Nature of Love") star in "**Love in the Forecast**," a new, original movie premiering **Saturday, June 13 (9 p.m. ET/PT)**, on Hallmark Channel as part of the network's "A Little Romance" programming event.

On-air weather reporter Leah Waddell (Busby) is getting weary of her bleak dating life and inability to be taken seriously as a budding meteorologist. At her wits end, she makes the decision to stay single and focus on her career for a full year. As soon as she makes this commitment, it literally starts pouring rain *and* men. As Leah deflects multiple romantic offers, she befriends her new neighbor Mark (Russell), a handsome dairy farmer who teaches her methods to forecast the weather by observing signs in nature. With romance off the table, Leah and Mark grow comfortable and allow their friendship to blossom into something neither of them predicted.

"Love in the Forecast" is from Johnson Production Group. Timothy O. Johnson is executive producer. Joseph Wilka and Christie Will Wolf are co-executive producers. Oliver de Caigny is supervising producer and Navid Soofi is producer. Christie Will Wolf directed from a script by Barbara Kymlicka.
