World-renowned pianist Margot Hammond (Patterson) gets unexpected time off to spend Christmas with her family at their favorite hotel, Chateau Newhaus. Having just received another stinging review, Margot is looking forward to spending time with her family and taking a break from music in hopes of rediscovering the passion in her playing. While there, however, she soon runs into her ex-boyfriend and former bandmate Jackson (Macfarlane), who convinces her to headline the chateau's sold-out, annual Christmas Concert. While working on the show, all of their feelings come flooding back and they are drawn to each other, but afraid of making the same mistakes. As the concert approaches, Margot and Jackson must learn that, whether in music or in love, the best will come if they listen to their hearts.

"Chateau Christmas" is from Two 4 The Money Media Inc. Kim Arnott is executive producer. Ivan Hayden is producer. Michael Robison directed from a script by Nicole Baxter and S.W. Sessions.
