A NEW, ORIGINAL MOVIE PREMIERING MARCH 20, ON HALLMARK CHANNEL**

STUDIO CITY, CA – February 1, 2021 – Cindy Busby (“Follow Me to Daisy Hills,” “Heartland”) and Christopher Russell (“Nature of Love,” “Star Trek: Discovery”) star in **“Chasing Waterfalls,”** a new, original movie premiering **Saturday, March 20 (9 p.m. ET/PT)**, on Hallmark Channel.

Aspiring photographer Amy Atwater (Busby) gets the break of her career when high-profile magazine Explorer Worldwide puts her on an assignment to shoot one of North America’s most fabled waterfalls – if she can prove it really exists, that is. As Amy spends her days hiking to remote areas to photograph the spectacular waterfalls, she is surprised to find herself falling for her rugged guide, Mark North (Russell), and bonding with his young daughter Kyra (Cassidy Nugent, “The Angel Tree”). Their blossoming romance is threatened when Amy’s work brings her close to revealing one of the area’s, and Mark’s, most treasured secrets.

“Chasing Waterfalls” is from Johnson Production Group. Tim Johnson is executive producer. Oliver De Caigny is supervising producer and Navid Soofi is producer. Christine Will directed from a script by Jason Bourque, Tamara Junkin and Christie Will.
